

Member Storage Shelves

These shelves are for member storage boxes only.
If you would like to store items at Build Brighton you will need a storage box.

Each box requires a £5 deposit, this can be paid online or by cash to a trustee.

Once a deposit has been paid you will need to claim a box **yourself** through the BBMS.

If you find an empty box on the shelves do not take it, you will need to claim it first.

If you're leaving anything at the space it must be in a labeled member storage box or be an ongoing project with a do not hack label attached.
